

August 20, 2025 General Meeting. James & Brian were not present.

Members should join the WhatsApp Arizona Bus Club Community for general communication. If there will be a caravan to the Jamboree it may be posted on WhatsApp, Facebook or on our website.

The I-17, near Munds Park, will be down to one lane for one year, traffic delays, FYI.

24 direction arrows and 24 square signs have been purchased. We have additional signs from last year. Signs will be put up on Wednesday, 9/17/25. "ABC Jamboree" signs will have arrows spray glued to the signs to show which direction to drive. Exit signs will be set up as well. From I-17 to the turn off on Mormon Lake Rd. is approximately 20 miles, then about 10 miles into the Playa Ponderosa. From AZ-87 to the Mormon Lake Rd. turn off is 33 miles.

There are 132 active ABC members. Emails have been sent out to expired members.

Not sure if there will be a pot luck at the Jamboree.

Sue Rice needs Richard Kimbro's e-mail if anyone has it.

The club is doing good financially, still have to pay for many vendors for the Jamboree. Price of porta potties has increased this year. A trailer to tow the raffle buses may be purchased next year or the club will accept a donated one.

The ad run on Facebook, for the Jamboree, cost \$45.00, was shared many times and was very successful.

Joe Jacinto worked on a special project to have a billboard on the I-17 and the I-10 advertising the 34th Jamboree.
